Efficient cross-departmental collaborative communication skills.

Self-evaluation

Dignified, prudent, responsible care; one-year working experience in the future, the flexibility to adapt to different environment, a good collaboration.

Hobby

I love hiking and have walked many famous hiking routes, hiking nearly 1,000 kilometers. In addition, I have climbed three snow-capped mountains above 5,000 meters above sea level. It is my firm willpower that supports me to do these challenges. I also like to make friends from all over the world on the way. They make my thoughts more fresh, which makes me feel that I am still alive.
