

Education

2021.03 - 2025.09 **Universiti Sains Malaysia**
BACHELOR OF FINE ARTS (HONORS)
Product Design

Intern Experience

2025.02 - 2025.07 **Graphic Designer**
BestWeb Technologies International Sdn Bhd

- Karaoke Mobile App (Lead Project)**
Independently designed a full mobile karaoke app interface—from homepage, song selection, to user profile and playback screens. Ensured visual consistency and smooth user flow using Figma and a vibrant, youthful design style.
- Food Ordering App**
Designed a clean and intuitive UI for a food delivery app, focusing on clear hierarchy, accessibility, and ease of use.
- Theme Park Website**
Created a lively and responsive website interface for a theme park, including ticket booking, visitor stats, and promotion pages.
- Website Testing**
Collaborated with developers to test website performance, identify usability issues, and provide design-related feedback.
